

Burn Trauma Rehabilitation: Allied Health Practice Guidelines

AVAILABLE
OCTOBER
2014

Medical technology continues to advance and burn injury mortality has decreased significantly. This book provides burn, trauma unit, and other allied healthcare providers with a resource to facilitate rehabilitation with a focus on quality of life and a return to participation after injury for the burn patient.

To obtain a print version of this book, contact the Australian & New Zealand Burn Association (ANZBA) at info@anzba.org.au.
